Good morning Gary,  
The only thing I can find on the website are pdfs of the site layout. Could you contact the trustee and see if we can get the original Excel file? If not, we will need to rebuild it.  
Thanks,  
Daniel

**Daniel:**

**Could you have Patrick fix the site diagram based upon the excel site diagram that is on our trailer wall. I would like us to put the ASTs on this diagram as well as the Waste Water Treatment Tanks as well as number them based upon our numbering scheme. Is there a chance he can finish this by the end of next week?**
